Title: ski cap

Comments: This is a great cap, good shape, great fit etc. My only complaint, if it could be called a complaint is that it came as an OD rather than the sandy/kaki that is in the picture.

Title: EXCELLENT Product & Lightning Fast Delivery

Comments: I'm greatly pleased by this one, it's exactly what I was expecting for & frankly I wasn't sure a bit about it. Estimate sizing is very important: I normally wear 7 1/4 but I ordered 7 3/8, successfully, due to previous experience with US Patrol Cap/Rangers' Cap, which has earflaps too; I've found that is better to choose one size more in case of winter U.S. G.I. visor caps. It fits just right, even might it shrink a bit after a first washing. The manufacturing is Excellent, You'll never find such a classic headcover anywhere, anymore. Classy.

Title: US Army Mountain Troop Ski Cap

Comments: Great reproduction of the early war ski cap. Outstanding fabrication, stitching, and details. 7 1/2 fits snug on same size head. But great hat overall. Larger sizes would be great.
