Title: Officers Elastique Overseas cap
Comments: This is a well made, spot on replica of the WWII 'chocolate' Officer's Overseas cap. The design is the more rounded version. I ordered my normal hat size, a 7-1/4. The fit was a bit snug, but nothing too tight. Top quality construction with lining and leather headband. I rate it a 10/10.

Title: Great Quality AND Price

Comments: Your Officer's Garrison Cap is perfect for the re-enactment portrayal which I'm doing (bought it slightly large, but that works for an AAF officer who doesn't want to lose his headwear to bursts of stray prop-blast). Very satisfied.

Title: US Officers Garrison Cap repro

Comments: Excellent item, fast delivery---a superb match for the original, London-made specimen in my archives. And large enough to sit well down on one's head and avoid being blown off by stray prop-blast on a runway. (This could in fact happen at some point...)

Title: The best I've seen!
Comments: Without a doubt this is the best-made and most authentic OD 51 officer's garrison cap I've found. Made of wool elastique, it's the perfect match for WPG's Class A and Ike jackets. What also sets it apart from the rest is the fine quality of the black and gold officer's piping. I previously purchased a cap from another dealer only to find that the gold threads were actually aluminium foil which was unravelling itself from the black cord. I am extremely picky with my re-enacting kit and I highly recommend this garrison cap.

Title: Chocolate Elastique Garrison Cap

Comments: This generation of garrison caps is spot-on. The fit runs as marked. The proportions are correct. The elastique is great - as always! The officer's braid piping is tight - way better than earlier runs. Finally, the height is in accordance with the originals - not too high and not too low. WPG is spot-on! Look no further for a great piece of headgear. Thank you again WPG!

Title: Choc garrison cap

Comments: Material on these is superb- BUT the officer's piping is clunky compared to originals. I replaced my piping with that off another brand repro and ended up with something that is indistinguishable from an original. The elastique is brilliant though!

Title: Officers overseas cap

Product Reviews

Comments: This is very well made but I am not sure it has a paratrooper cut to it. The para patch doesn't even cover the braid on the right side. My original hat for my para days has a much deeper cut. The airborne patch is covering the braid by as much as 50%. The ones in WWII pictures seem to be taller too. Still it is the only game in town because I can't find another anywhere. I'm OK with it but am reseraching further pictures.
