Title: Garrison Belt

Comments: The leather seems a bit on the thick side. Were originals a bit thinner ? Otherwise it'll work Thank you

Title: Expedited

Comments: Ladies & Gentlemen: I adore most of your product and appreciate how promptly you expedite orders. I do, however, need to return a few items as the fit does not always work. I will return them next week when I am back in New York. Regarding your khakis, is it ever possible to obtain them in a 36" inseam? Wishing you continued success and ordering again in the near future. Faithfully, Michael Redmond Whelan

Title: Looks as good as the real McCoy

Comments: The finish on the outside belt is perfect. Very good quality leather. Buckle is not bad. The original I am comparing with had some slight differences, but so does most original equipment that had a multitude of contractors.
