Title: HBT pants

Comments: I ordered size 34 that's the size I wear in jeans with a in the waist holster for a concealed carry and I'm good. The HBT were snug on the waist and was afraid of shrinkage after washing. Wanted to exchange for size 36 and they're out of that size sent back for a refund. Would still, and planning on ordering from WPG.

Title: Well made

Comments: My sz 32's have, over time, shrunk just enough and with my winter weight seemingly hanging on through spring, I bought another pair in sz 34 and like the previous pair are just great! Material and construction are really good and durability is first rate! I should note if you want to wear over your woolies go two sizes up. My sz 36 HBT's fit well over my sz 34 woolies.

Title: Good Stuff
Comments: Very good quality constructions and fit. Color was a little light and I hope it hold sthrough the wash. Worst part was the [relatively] slow delivery from Dubai compared to previous orders from the 'States.
