Name: **US M1937 Early War Mustard Wool Shirt**

Description M1937 early war style shirt. These reproduction shirts are 100% Wool. The army adopted a button front shirt for the first time with the sweeping 1937 uniforms changes that made trousers standard in place of breeches. Although this shirt pattern was supereseded in late 1941, it was still made and issued throughout WWII.

HOW TO FIND YOUR SHIRT SIZE: Back in the Dark Ages, before the Internet, shirts came in dress shirt sizes, not S.M.L. The first number is your neck measurement in inches. The second number is the measurement from the center of your neck to your wrist, with your arm bent.

Available in: Size 20 x 36\*, Size 19 x 36\*, Size 18 x 36, Size 18 x 34.5\*, Size 17 1/2 x 35, Size 17 x 34, Size 16 1/2 x 35, Size 16 1/2 x 34, Size 16 x 35, Size 16 x 34, Size 15 1/2 x 33, Size 17 x 35

Title: Love it!

Comments: Really well made and am loving the lined collar! Had to move the left cuff buttons some bc it was a bit tight with a wristwatch on but other than that there is no reason not to get another one! It has become my favorite wool shirt! Thanks to all at WPG!

Title: Great Shirt

Comments: I have an original. Same color, feel, may be a bit heavier, but not much. However, the WW2 uniforms varied in color, weight depending on the manufacturers. Got it quick, real happy. □

Title: Quality Product but sizing?

Comments: First rate material and quality. I did order my dress shirt size but item was fitted very close in abdomen (duh) and chest was tight. Waiting for a replacement in an even larger size.
