Product Reviews

Comments: I bought 2 of these to go with our US Nurses Jackets because of the difficulty of getting repro skirts to match up with the exact shade of original Olive Drab and instead went for the later Pinks and Greens option. They are a good colour and pretty accurate weave. Also we needed them fast and WPG rose to the occasion and shipped them mega fast. A good job all round.

Comments: This item is excellent. The fabric is perfect. It is the same high quality as the Officer's Ike jacket, B-13 jacket and shirts that I have purchased in the past. Thanks for offering some of these items in large sizes.

Title: "Pinks" skirt

Comments: Probably as close to original as one can purchase. Compared it to two slightly different WWII wool "pink" trousers and its somewhere in-between the two in color and VERY close in material. Well made. Very nice.
